man; Ted J. Warpinski:man;)	
Eileen Gbaja-Biamila:woman)	

20-C-126

I require 'court of record'; 'trial by jury'

claim of trespass upon trust

The **Gbaja-Biamila** court presents claim of trespass:

i man only **Authority** in said trust it is my wish to hold said third party interlopers' libel for trespass upon sacred trust. Third party failed to heed fair warning of said trespass. There are no contracts of proper order and informed consent other than by way of **FRAUD** quasai and administrative deception would be a cause for breach. No man or woman came forward with a verifiable claim to trust. It is widely known, woman, Eileen Gbaja-Biamila started said trespassed continues to casual trespass upon said trust and administrate property without rights, which she is to bear all liability for her actions of trespass. All have interfered with protections afforded to i by [article 1 section 10 also (amendment 9) by way of united states further wisconsin Constitution] i seek the questions on the notice to be answered firstly before i proceed. By way of "trial by jury"

{Notice: Court Clerk i surrender this claim in the hands of the jury only: All magistrates roll will be to referee only facts compensation penalty phase will be determined by the jury rules for jury will be surrender on the day of trial not before} this is not a complaint this is claim not to be trespassed upon those who wish bear libel for said actions end__}

i, say here, and will verify in open court by way of affirmation via voice, that all herein be true;
